

KeyLogic  
Automations Pvt. Ltd.

Date: 15th June, 2020

### **TO WHOMSOEVER IT MAY CONCERN**

This is to certify that Mr. Anuj Verma has completed his summer internship at Keylogic Automations Pvt. Ltd. from 1st may 2020 to 15th june 2020.

He has worked on the project titled "Email Automation". This project was aimed to do email automation for corporate firms. It is aimed to save time for writing the email for corporates to HR, for setting the timings of meetings, sales follow ups etc. The email was generated from the code with custom reasons for the email and custom words added by the user.

As part of the project he has done a tremendous job to handle the team and write codes in python. He has completed the project using python3, mongodb and flask. During the internship he has done outstanding work handling and managing the team.

Anuj has done all the work with persistence and perseverance and exceeded all the expectations.

We wish him well for his future.
